

HONORS PROGRAM

The Kirkwood Community College Honors Program offers outstanding students the opportunity to push their academic boundaries, work closely with faculty in their career fields and make themselves more attractive to selective four-year schools.

Qualified students work with a faculty member to develop a one-credit-hour honors project. The nature of a student's honors project is left open to inspire creativity in both the student and the faculty member, as well as to allow for adaptation to a variety of disciplines.
