Tutoring services are available by request for any student enrolled in a credit course at Kirkwood. There is no charge to the learner, and tutoring is available every term, day and evening.

Tutoring is also available 24/7 online from www.brainfuse.com (<http://www.brainfuse.com>). Links are available on the tutoring website and within TALON.

Many tutors are Kirkwood students who are paid by the college for their services. Students interested in being tutors may apply through the Tutoring Services office.
