

ADVANCED DRIVETRAIN CERTIFICATE

Entry Time

Fall

Award

Certificate

4 terms

The Advanced Drivetrain certificate provides beginning through advanced level skills and knowledge in the areas of manual transmissions and transaxles and automatic transmissions and transaxles. Students can use this certificate to help obtain a position as an automotive technician specializing in these areas. This program is overall Master-certified by the National Automotive Technicians Education Foundation (NATEF) and the National Institute of Automotive Services Excellence certifies our instructors as Master Technicians.

A tool set is required for this program.

Certificate Requirements

Course	Title	Credit Hours
Term 1		
AUT-308	Automotive Manual Drive Train and Axles I	2
